SEO Fields

Title Tag (48–58 Characters):

About Peddlers 30A | Rental & Pavilion, Seacrest Beach

Meta Description (145–155 Characters):

Learn the story behind Peddlers 30A, a bike rental and pavilion in Seacrest Beach built around the Timpoochee Trail and the 30A lifestyle.

H1 (22–32 Characters):

Section 1: Hero

Visual Script Headline (16–26 Characters): Seacrest Beach's Favorite Pavilion

Subtext (120–140 Characters): Part bike shop, part gathering place, Peddlers brings together rides, food, music, and the everyday rhythm of life along Scenic 30A.

Section 2: The Heart of the Coast

Label (18–26 Characters): OUR STORY

Script Headline (32–44 Characters): Built Around the Way 30A Moves

Paragraph 1; Origin and founding vision (170–210 Characters):

Peddlers began in **2011** with a simple idea: help people slow down and see 30A the way

locals do. From Seacrest Beach, riders could leave the parking lot behind and explore the coast at a pace that made every stop worth taking.

Paragraph 2; What Peddlers has become (200–240 Characters):

Over the years, Peddlers has grown from a bike rental shop into a gathering place for visitors and locals alike. Right on Scenic Highway 30A in Seacrest Beach, it has become a familiar starting point for beach rides, morning coffee runs, and evenings spent together after a day on the coast.

Section 3: Navigate Your Paradise

Vertical split. Left: aerial coastal photo (developer/designer places this). Right: white background with script heading + 3 expandable/linked list items.

Script Headline (18–28 Characters): Know the Coast Like a Local

Each of the 3 items has a script heading, a 1–2 sentence description, an icon (design), and a link arrow (→). Writer writes heading and description. Developer handles icon and link destination.

Item 1; Trail Script Heading (18–26 Characters): Scenic Highway 30A

Description (60–80 Characters): 19 miles of paved coastal path connecting beach communities, dune lakes, and quiet neighborhoods.

Item 2; Coastal Dune Lakes Script Heading (18–26 Characters): Rare Coastal Dune Lakes

Description (60–80 Characters): One of the few places on earth where freshwater lakes meet the Gulf naturally.

Item 3; Beach Access Points Script Heading (20–28 Characters): Beach Access by Bike

Description (60–80 Characters): Reach shaded access points and quiet stretches of sand most drivers never find.

Section 4: A Curated Collection

Teal/turquoise full-bleed background section. Script headline + subtext centred at top. Below: text descriptions on left, lifestyle photos on right. 4 bike type / service items across S4 and S4.5.

Script Headline (16–24 Characters): A Curated Collection

Subtext (85–105 Characters): From beach cruisers to family bikes, every ride is inspected, adjusted, and ready for another day on 30A.

4 items. Each has a script heading (bike type or service) and a short body. Items appear in 2 groups across the 2 screenshots; writer writes all 4 as one continuous section.

Item 1; Cruisers Script Heading (8–16 Characters): Beach Cruisers

Body (80–95 Characters): Comfortable, upright, and built for easy miles along the Timpoochee Trail and Scenic 30A.

Item 2; Multi-Speed Bikes Script Heading (13–20 Characters): Multi-Speed Bikes

Body (80–95 Characters): Geared for longer rides along the coast. Cover more of the Timpoochee Trail with the same easy 30A pace.

Item 3; Kids & Tandems Script Heading (14–22 Characters): Families & Tandems

Body (80–95 Characters): Kids' bikes, Burley trailers for little ones, and tandem options make it easy for every group to ride out together.

Item 4; Precision Maintenance Script Heading (20–28 Characters): Precision Maintenance

Body (80–95 Characters): Every bike is checked, tuned, and inspected regularly to perform reliably in the coastal environment.

Section 5: Guest Reviews

Google Reviews widget embedded by developer. Writer writes only the label and section headline. Reviews are pulled automatically from the Google Business Profile.

Label (14–22 Characters): WHAT RIDERS SAY

Script Headline (16–26 Characters): Stories From 30A

Section 6: Visit the Pavilion

Vertical split. Left: text content. Right: Google Map embed (developer places this).

Script Heading (15–25 Characters): Visit the Pavilion

Label: LOCATION **Address:** 10343 E County Hwy 30A, Inlet Beach, FL 32461

Label: CONNECT **Phone:** (850) 213-0040
